RPL/Credit Transfer Policy and Procedure

Purpose

The purpose of this policy is to ensure that the assessment of credit transfer (CT) and recognition of prior learning (RPL) into a course at Sarry Institute follow transparent guidelines and all students are treated equitably.

Scope

This policy applies to all courses at Sarry Institute and to all staff involved in the assessment and recording of CT and RPL.

Policy

Sarry Institute will implement this policy to ensure an appropriate recognition of course credit within the ESOS framework.

Procedure

RPL Process

1. The candidate contacts Sarry Institute and enquires about RPL.
2. Sarry Institute provides the candidate with information about RPL. If the candidate decides they would like to proceed with RPL, Sarry Institute must supply them with a copy of the RPL Self-Assessment Tool.
3. The candidate completes the RPL Self-Assessment Tool, identifying units they would like to apply for and evidence they could submit.
4. The candidate sends their RPL Self-Assessment Tool, a copy of their CV and any certified copies of relevant qualifications back to Sarry Institute.
5. Sarry Institute reviews the self-assessment checklists to determine if the candidate is suitable to proceed with the RPL process. This will include contacting the candidate to discuss the following:
   - Their work experience and anything of interest in their CV (for example, has the candidate worked in a different number of job roles, have they worked in a number of different workplaces, or the same one, professional development experiences, etc.).
   - The items they ticked/did not tick in their self-assessments.
   - The items listed in their evidence brainstorm (for example, will these add value to their application, or will you see evidence of their work when they complete the assigned tasks?).
   - The third-party person – who is it, how long have they known the candidate in a professional capacity, etc.

6. The assessor makes a decision on the candidate's suitability for RPL. (If the candidate's work experience, skills and knowledge do not accurately reflect the requirements of the qualification or units therein, the candidate should be provided with information about formal training opportunities for this qualification. The candidate can then make a decision as to whether they would like to enrol in the course.

7. The successful candidate receives a copy of the:
   - Written agreement
   - Invoice for RPL assessment
   - RPL Evidence Tool
   - RPL Third Party Tool (assessor must indicate in this document which units are being applied for, if the candidate is not applying for the entire qualification).

8. The assessor contacts the candidate to discuss:
   - How to work through the RPL Evidence Tool
   - Arrangements for workplace observations (where applicable, and in consultation with the candidate's workplace supervisor to ensure that workplace visits are scheduled appropriately and that the workplace has access to required equipment and resources)

9. The assessor participates in the RPL assessment process, which will include:
   - Visiting the candidate's workplace to observe completion of practical tasks (where applicable)
   - Completing verbal questioning (either over the phone, Skype or other video conference tool, or in person)
   - Being available to provide support and assistance to the candidate as required.

10. The candidate submits their RPL Evidence Tool booklet and their evidence portfolio.

11. The assessor checks the third party person's ratings, feedback and comments in the RPL Third Party Tool.

12. Where necessary, the assessor contacts the third party person to discuss anything that requires further clarification.

13. The assessor contacts the candidate's professional referees to discuss the candidate's workplace competency.

14. The assessor contacts the candidate once an outcome has been made – all outcomes are to be summarised in the Assessment Outcome Summary in this document.

15. The assessor forwards all documents to Sarry Institute's office for record keeping (see below).
